

Delivering **massive** amounts of tone, the new **DIME BLACKTOOTH** packs a mighty punch in a classy, compact package!

The **BLACKTOOTH** is designed by the same engineer who developed the **Dime D100 Head** and emanates the same exact consistency and tone. Featuring a **high quality Eminence 10" Speaker** and its unique, fully discrete power amp & pre amp section, the **BLACKTOOTH** offers a stunningly huge difference in tonal quality and sound far above its competition!

This rugged & road-worthy **DIME BLACKTOOTH** embodies more **style, gain and performance** level than any other comparable amp on the market today!!!
